Serial No

by Mr Bhabha in October 1908
It is therefore very strange that
he made no mention of it &
of the number of applications
received etc when he proposed
the appointment of Mr Narayana
Rao as Asstt Professor

14 No 10 in the list of applications
(Vide Sheet No 1) Viz Mr Mulla, M A B Sc, is
stated to be the best of the lot. He
~~however~~ wishes that his Salary may
be fixed at Rs 250 Mr Bhabha
however states that he may be per-
suaded to accept Rs 200 on the Com-
mencement for a year with prospects
of being placed in class B2 (200-25-300)
after one year's Service. Now that
Mr Sreenivasa Rao, ~~one of the~~ Lecturer,
Natural Science, ~~Rao~~ Central College
has been deputed to England &

NOTE—Contn sheet

GPB—50 000—13 5 08

Serial No

Mr V S Sambasiva Iyer's Services also have been temporarily placed at the disposal of the Baroda Durbar, it is very necessary to appoint a Competent Asstt Professor at once If Mr Mulla is not willing to accept Rs 200 he may be placed at once in class B2 (200-25-300) as the Scale of pay for Asstt Professors sanctioned in the GO of the 30th March 1908 is Rs 200 Rising to Rs 300

y

15 As Regards Mr Narayana Rao, the Dgl states that he has been offered the place on Rs 150 in class C III (100-10-210) which he has accepted that it is too late now to Recede from negociations with him When the appointment rests entirely with Govt it is not clear

NOTE—Contn sheet

GPB—50 000—18 5 08

Serial No

why the Dgt should have made negotiations with Mr Narayana Rao without obtaining Govt orders especially when there was a more competent applicant for the post. He now Recommends that he may be given the Demonstrators place on Rs 150 in class C III (100-10-210) There is no provision in the current year's Budget for the appointment of a Demonstrator for Natural Science The provision of Rs 27,500 made for the College and High School arrangements is not even sufficient to meet the charges already Sanctioned

4 One more fact deserves mention. Mr Narayana Rao has passed only in the III class in the M. A Exam^r whereas Mr

NOTE—Contn sheet

V R Doraswamy Sastri, No 12 in the list has passed the M A Degree in the II class in Biology and Zoology. Besides securing a first-class in the B.A Exam^n it is therefore not clear how Mr Narayana Rao has got better claims than Mr Doraswamy Sastri as stated in Mr Bhabha's letter

Submitted for orders

6/1/09

The present letter from Mr Bhabha shows that the vacancy was advertised in the newspapers & the Candidate now recommended selected out of 45 applicants So far as can be judged from the University degrees Mr V.R Duraisamy Sastri took a brilliant degree in the B.A & passed the M.A in the 2nd class So far he is better than Mr C.R Narayana Rao-

NOTE—Contn sheet

GPB—50 000—18 5 08

Serial No

It does not appear that Mr Bhabha consulted Mr Ramunni Menon about Mr D Sastri's fitness

Mr Mulla also appears to be a suitable candidate, but it is not clear why Mr Bhabha did not ascertain whether he would accept 150 or 200 Rs, before entering on negotiations with Mr Narayan now

So far as Mr Narayan now is concerned Dr Henderson speaks very highly of him & he may prove quite suitable for the place.

In the absence of budget provision for both the asstt Prof & the Demonstrator it is out of the question to accept Mr Bhabha's recommendation to take both Mr Mulla & Mr Narayan now in the service 'When we want an asstt Prof or Demonstrator we may be able to get as good people as any now available.

seen)

6/1/09

Mr Bhabha may be asked to report on Mr Dravidamudaliar's fitness, after consulting Mr Ramunni Menon.

Attention is invited to pages 18 19 of the proceedings of the Conference held on 19-8-08 and page 5 of the rules of the same Conference regard to the no of hands required for teaching Natural Science to the Junior Intermediate class and the B A classes for the presen It was resolved by the said Committee that only two

Nos 507
08/9

GPB— 0 000 —18 5 08

Serial No

Officers : a Senior Prof for teaching Geology and an Asst Prof for teaching Zoology & Botany were sufficient to start with. Accordingly G O dy 28-11-08 sanctioned the appointment of only two officers The pay allowed by that order to the Senior Prof is Rs 700, the same as that now Sambasiva Iyer is receiving in the Geological Dept & that to the Asst Prof shd not exceed Rs 200 The present proposal is to appoint three officers immediately in stead of only two The first is to be the Senior Prof on Rs 700, the second an Asst on Rs 200 rising to Rs 300 and the third a Demonstrator on Rs 150 & to be placed in Class C III (Rs 100-10/1-210)

It is not clear why the need for three officers is now felt while two were considered sufficient by the Conference It wd be stated that for the present there are only the Junior intermediate

NOTE—Contn sheet

GPB—50 000—13 5 08

Serial No

Classes and the B A Geology classes under the old Regulations & also the work of Equipping the Geological Laboratory For all this work only two hands, one on Rs 700 & the other on pay not exceeding Rs 200 were considered sufficient in the G O of November last The present proposal requires a third hand on Rs 150 (the Officer to be placed in Class C III 100-10-210 and raises the pay of the Second hand from fixed Rs 200 to Rs 200 rising to Rs 300

In Mr Sambasiva Iyer's absence on deputation it is stated that Mr Wetherell the Second Asst Geologist will officiate as the Senior Prof of Geology & the Professor's absence on deputation does not by itself seem to require another Officer in addition to Sanctioned in G O 8, 28 II 08

The pay of the third hand is not provided for in the Budget and any saving

GPB—50 000—18 5 08

Serial No

under Sanctioned grants cannot be diverted for new expenditure as they are all required to meet the demands on account of the prevailing distress - In View of the urgent need for all possible Economies called for by the distress, it is Suggested that the appointment of the third Officer, may be postponed if avoidable, as it was Considered to be by the Conference

Mrch 20/19

(Finl Secy)

It is understood that the Finl Secy is not in town & may not return for a week a ten days more The appointment of an asstt to teach Botany & Zoology to the ~~inter~~ B a classes & to the new Inter medate class would it is formed after the matriculation exams, is somewhat urgent matter The opinion of the Asstt Secy is it proceed on the basis that more than one asstt is not needed now

GPB—50 000—18 5 08

Serial No

If the appointment of Mr Mulla as asstt Professor is considered necessary & desirable the question may be separately considered & in the meanwhile Mr Narayan now maybe appointed on 150 Rs & if necessary he maybe called demonstrator a better still the title Demonstrator maybe omitted altogether & Mr Narayan now styled junior asstt Professor, leaving Mr Mulla to be appd as Sr asstt Professor ~~& also~~ this may also solve another difficulty as to whether Mr Narayan a row who has been offered the place of an asstt Professor will accept it if the appointment is called that of a Demonstrator

Submitted to His Highness

The appointment of Mr C I Narayana Rao, I A , L T , Assistant Master in the Coimbatore College, as Assistant Professor of Botany and Zoology in the Central College on Rs 100 in Education class CIII (Rs 100-10-210), recommended by the Inspector General of Education with the approval of the Principal of the Central College, may be sanctioned Provision for this appointment has been made in the budget

In a subsequent letter, Mr Bhabha has suggested that the services of Mr M T Mulla M A , B Sc , may also be obtained for the Central College, Mr Mulla being appointed Assistant Professor on Rs 200-25-300 (on probation for one year) and that Mr C N Narayana Rao may be appointed Demonstrator I was of opinion that this proposal might be sanctioned, but both the Councillors consider that the appointment of Mr Narayana Rao would suffice for the present As I now learn that proposals have been received from the State Geologist to appoint Mr I W Wetherell to act as Geology Professor during Mr Sambasiva Iyer's absence in Baroda, I agree in the view that it is sufficient for the present to appoint Mr C I Narayana Rao, on the terms originally proposed by the Inspector General of Education

Bangalore

SIR,

With reference to the concluding portion of para 3 of Order No 5078-82 Ed 370-07 (20) of 28 November 1908 I have the honor to recommend that Mr C R Narayana Rao M A, L T Assistant Master of Coimbatore College, may be appointed Assistant Professor of Botany & Zoology in the Central College, on Rs 150 rising to 210 in class C III He will be able to teach Biology and Palaeontology to the Geology students of the B A Classes according to the old Regulations and Botany and Zoology to the Intermediate Classes under the new Regulations Mr C R Narayana Rao passed the M A Degree Examination of 1905 in Zoology in the III Class, and the L T Degree

Examination of 1908 taking the first place in the First Class Dr J R Henderson than whom there is no greater authority in Natural Science in Southern India strongly recommends Mr Narayana Rao as the best man available in the Madras Presidency. Mr Iyer approves of his appointment He declines to accept anything under Rs 150/- to start with I recommend that like Mr B K Srinivasaengar M.A, Asst Professor of Mathematics of the Central College Mr Narayana Rao may also be placed in Class C III

I have the honour to be,

Sir,

Your most obedient Servant

H J Bhabha

From

H J BHABHA ESQ MA
Inspector General of Education in Mysore

To

K S Chandrasekara Iyer, Esq , B A ,B L ,
Secretary to the Government of H H the Maharaja of
Mysore, General and Revenue Departments, Bangalore

SIR

In continuation of my letter No 4713/303 of 11 December 1908, I have the honour to inform you that I advertised in October in the Madras Mail, the Times of India, and the Statesman of Calcutta for applications for the post of Assistant Professor of Natural Science in the Central College Altogether 14 applications were received The whole file of applications I send herewith for reference and hard return

2 The qualifications required are especially ability to teach the Elements of Botany and Zoology in the Intermediate classes, and ability to teach Biology and Palaeontology in the B A classes down to April 1912 under the old Regulations. Dr Henderson, Professor of Natural Science in the Christian College, was consulted both by me and Mr Tait regarding the merits of the applicants from Madras He is distinctly of opinion that if a Madras man is chosen, he should have passed the M A. Examination in Zoology which is a more difficult subject than Botany, as the two extra years of study, after the B A. Degree is taken, make a great difference to a student Dr Henderson has truly taken great interest in choosing the best man for the Central

4

Central College, and he is strongly of opinion that Mr C R Narayana Rao is the best man available He says "I do not think an equally good man for the post exists " In the college certificate given by Dr Henderson he says that " his M A thesis showed considerable capacity for original work " In another letter Dr Henderson says " He would be quite competent to teach the present B A General Biology course " There is no doubt that among all the applicants from Madras Mr Narayana Rao is by far the most eligible Mr Tait has looked through the file and is also of the same opinion There is no applicant from Madras who is qualified to teach Botany or Geology in addition, and therefore one who has passed the M A Examination in Zoology has to be chosen Mr C R Narayana Rao has been offered the place on Rs 180 rising to Rs 210 in class C III and he has accepted it I am afraid it is too late now to recede from the negociations with him

3 There is however one applicant on the file who preeminently fulfils all the required qualifications Mr M T Mulla M A ,B Sc , is the only applicant from the whole of India, who has passed the B Sc Examination in Botany and Zoology, which is a severe test, and is therefore able to teach the elements of Botany and Zoology at once, whereas a Madras M A in Zoology will have to learn Botany before he can teach it The long course of scientific study of Mr Mulla is a guarantee of his abilities He took up Physics as his optional subject in the B A Degree Examination, and passed the M A Degree Exarination in 1904 in Natural Science i e Botany, Zoology, Geology and Physical Geography Three years after that he passed the B Sc Examination in Botany and Zoology He is by far the best of all applicants from the whole of India and holds excellent testimonials He asks for Rs 250 a month But I think he may be persuaded to accept Rs 200 in the commencement for a year, if he has prospects after giving satisfaction of being placed in class B II (Rs 200-rising to 300 by annual increments of Rs25) An Assistant Professor like Mr Mulla may at a pinch be available

5

available also for teaching a portion or the whole of the subject of Geology It will be a pity to lose the chance of securing Mr Mulla's services

4 The Committee appointed to consider the reorganisation of the two Colleges, consisting of Mr Cook, Mr Weir and myself recommended that there should be for the Central College a Senior Professor of Geology on Rs 500-50-1000, a Junior Professor of Botany and Zoology on Rs 200-25-300 and a Demonstrater on Rs 100-10-210 (See Government Order No 9876-80-Edn324-06-9 dated 30 March 1908) These proposals were carefully thought out and the need of a demonstrator in Botany and Zoology, if not in Geology also, is bound to be felt very shortly Under these circumstances I would strongly recommend that Mr M F Mulla, M A , B Sc, be employed as Assistant Professor on probation for a year on Rs 200 with prospects of being placed in class B II (200-25-300) at the end of the first year of service, and that Mr C R Narayana Rao who is willing to accept Rs 150 to start with in class C III (100-10-210) may be designated Demonstrator There will thus be two excellent men secured for the teaching of Natural Science I request that very early orders may be passed on the above proposals as there is at present a demand for teachers of Natural Science, and Mr C R Narayana Rao may get appointed elsewhere if there is delay

I have the honour to be,

Sir,

Your most obedient servant,

H P Blackett

Inspector General
